## Coughing/Hacking

Pet's Name: \_\_\_\_\_

1. When did you first notice this issue?
2. Has this issue worsened or improved at all?
3. Does the coughing/hacking happen in fits or is it a isolated cough?
4. How many times per day is your pet coughing/hacking?
5. Is the cough productive? Does your pet appear to be coughing up any phlegm or discharge? Or is it a dry cough?
6. Is your pet having any trouble breathing or breathing at an increased rate?
7. Have you noticed any nasal discharge or eye discharge? If so, how much and what color?
8. Has your pet visited any sort of public space recently where they would have interacted with other pets: dog parks, groomers, daycare centers, etc?
